

## Style Guide and wireframe

# Celestial Connections

## A spiritual site

The logo is a crystal ball with crystals and tarot cards. There will not be typography

The first color is #FFFABB  
The second color is #FFEC7F  
The third color is #EAD9FF  
The fourth color is #E3F0FF  
The fifth color is #A5D2FF

I would use the Cinzel font for the headers and for the navigation links and I will use Kalam for the normal text.

The navigation links will be colored with the 3rd color and the fourth color for the font.
